

2025 Benefits Guide

2025 Rate Notice to Employees

Great News! Medical Rates will not increase in 2025! This will be the third consecutive year with no rate increase. This stability in cost can be beneficial, as it helps in financial planning and eases the burden of healthcare expenses. While enjoying current rates, it's also wise to prepare for potential future premium rate increases and consider ways to maintain health care affordability. Here are some strategies that employees can use to help manage their healthcare costs:

- 1. Understand Your Benefits:** Take the time to thoroughly understand the healthcare benefits offered by St. Johns County including what is covered, what is not, and how best to use the benefits available to you.
- 2. Use In-Network Providers:** Staying within the Florida Blue, Blue Options Network can significantly reduce costs, as in-network providers have agreed upon discounted rates.
- 3. Avoid Emergency Room for Non-urgent services:** Emergency room visits are more expensive than visits to a primary care physician or urgent care clinic, especially for conditions that are not true emergencies. This can lead to high out-of-pocket costs for you and the health plan.
- 4. Preventive Care:** Utilize preventive services that are covered at 100% by both plans. Regular check-ups and screenings can help catch health issues early, potentially avoiding expensive treatments later.
- 5. Generic Drugs:** Opt for generic drugs over brand-name ones when possible as generics are typically much less expensive.
- 6. Compare Costs:** For planned medical procedures, compare costs at different facilities. Florida Blue does provide a comparison tool on the employee portal to help estimate the cost of procedures and tests at various providers.
- 7. Utilize Telemedicine:** Take advantage of Teladoc services as they are more affordable and convenient alternate to in-person visits for non-emergency issues. St. Johns County provides General Medicine, Dermatology and Behavioral Health Teladoc services.
- 8. Review Medical Bills:** Always review your medical bills and explanation of benefits (EOBs) for errors. Billing mistakes can be costly, and it's important to ensure you're only paying for services you receive.
- 9. Healthy Lifestyle:** Adopting a healthy lifestyle by eating well, exercising, and avoiding tobacco can lower the risk of chronic diseases and associated healthcare costs.
- 10. Education:** Stay informed about health conditions and treatment options. Being educated can lead to more productive discusses with healthcare providers and better decision-making.

Frequently asked questions

My spouse also works for St. Johns County. Can we both buy coverage?

You may both purchase supplemental employee coverage. However, an employee can only be insured as an employee or a dependent, but not both. Additionally, employees and spouses who both work for St. Johns County may not cover the same dependent child(ren).

Does the coverage amount change based on my age?

The amount of coverage will reduce to 65% at age 65, to 50% at age 70 and to 35% at age 75.

Can I continue this coverage if my employment ends?

Coverage may be continued through Portability or Conversion if certain criteria is met. See the Portability and Conversion explanations and criteria in the Basic Life and AD&D section of this booklet for more information.

Do I have to fill out a medical questionnaire?

Initial elections in excess of the guarantee issue amounts and late enrollees must complete evidence of insurability (EOI). You will be directed to go to **The Standard** website to complete the medical questions online.

You will need your Group number **164622**. Premiums subject to EOI will not be deducted from your pay until you have been approved. Premiums are deducted on a post-tax basis.

Supplemental Benefits

Supplemental plans are offered through **Colonial** for benefit eligible employees to enroll on a pre-tax basis, and are also portable benefits. These voluntary benefits help employees with copays, deductibles and lost wages when sick or hurt.

TERM LIFE

Tailor coverage for your individual needs and help provide financial security for your family members. As your needs change over time, you can update your coverage to best fit life changes, such as: getting married, buying a home or having a child. There are also coverage options for your spouse and children. You can't predict your family's future, but with life insurance, you can be better prepared for it.

SHORT TERM DISABILITY

Choose the amount of your disability benefits, subject to income. You can use these benefits to help cover: rent or mortgage payments, utilities, groceries, travel expenses, credit card bills and other everyday living expenses. You're paid regardless of an insurance you may have with other companies.

- To enroll in Colonial Supplemental Benefits, please contact Scott Hughes at 904.728.8303 or email scott.hughes@coloniallife.com.

CANCER

If you were diagnosed with cancer, would you be able to cover rising treatment costs? Medical insurance is a great help, but there can be numerous expenses that your health plan doesn't cover, such as out-of-network treatments, home health care needs and experimental treatments. Colonial's coverage provides benefits you can use to help with **loss of income**, **child care**, lodging and meals, deductibles and co-pays.

HOSPITAL CONFINEMENT INDEMNITY

If you have a hospital stay, it's important to focus on your recovery – not your finances. Our hospital confinement indemnity insurance provides a lump-sum benefit to help offset the costs that aren't covered by most major medical plans. With this added financial protection, you may be eligible for benefits to help you cover expenses associated with **outpatient surgery**, diagnostic tests, doctor appointments and emergency room trips.

ACCIDENT

This plan provides benefits for initial care and treatment, in addition to the follow-up care you may need. **Family coverage** is available for your spouse and children. Your benefits are paid directly to you, unless you specify otherwise. You are covered worldwide. This plan is portable; you can take it with you if you change jobs or retire. You are paid benefits regardless of any other insurance you may have.

IMPORTANT TO KNOW

Aflac Supplemental Benefits

Aflac benefits pay you cash when you need it the most due to any type of illness, accident or lost wages. Aflac pays you directly regardless of what your medical insurance covers. You can enroll in Accident Insurance, Cancer/ Specified-Disease Insurance, Hospital Confinement Indemnity Insurance, Life Insurance (post-tax), and Short Term Disability Insurance (post-tax).

- To enroll, contact Miguel Hernandez at 706.992.8834 or email luis_hernandezrosado@us.aflac.com.

Voluntary Short-Term Disability

St. Johns County offers short-term disability (STD) benefits to all eligible full-time employees through **The Standard**. This coverage is to protect you and your family in the event that a short-term disability prevents you from performing the duties of your occupation. STD coverage protects your income due to injury or illness. To receive benefits, your claim must be approved by The Standard. See a brief summary of benefits below:

SHORT-TERM DISABILITY INCOME	
Waiting Period Illness/Accident	14 days, benefits begin on the 15th day
Max Benefit Duration	24 weeks
% of Income Replaced	60% of your weekly earnings
Maximum Benefit Amount	Up to \$1,000 per week
Pregnancy Coverage	Up to 6 weeks, or up to 8 weeks for a C-section, including waiting period

IMPORTANT TO KNOW

Why disability coverage is important

We understand that for most of us our income is the most important financial resource. To be without income for an extended period of time would most likely be devastating for you and your family. Since Disability Insurance supplements your lost income, it is commonly referred to as Income Replacement Insurance.

Short-Term Disability is designed to provide income replacement for up to 6 months. Your employer offers the option to purchase Short-Term Disability Coverage.

Long-Term Disability is designed to provide income replacement anywhere from 2 years or until age 65, depending on your policy's provisions. Your employer provides Long-Term Disability at no cost to you.

Annual Maximum

Total dollar amount a plan pays during a calendar year toward the covered expenses of each person enrolled.

Out-of-Pocket Maximum

The maximum amount of coinsurance a Plan member must pay towards covered medical expenses in a calendar year for both network and non-network services. Deductible and copays apply to the annual out-of-pocket maximum.

Coinsurance

Copayment

A set dollar amount you pay for network doctors' office visits, emergency room services and prescription drugs.

Deductible

Some of your dental options also have an annual deductible, generally for basic and major dental care services.
